Moving to New York City for graduate school, Hanna Bergstrom turns to her brother's best friend, womanizing venture capitalist Will Sumner, for dating advice as she transforms herself from a bookworm academic into a seductive beauty who every man seems to notice - especially Will. Original.

In this new novella, the gentlemen from Beautiful Bastard, Beautiful Stranger, and Beautiful Player are out for a wild night on The Strip. When Max, Henry, and Will steal Bennett away for a weekend of shenanigans and strippers in Vegas, the first stop of the night doesn't go at all as planned. With their scheme for a Guys Weekend completely derailed anyway, Max and Bennett begin to play a wild game of stealth and secrecy in order to have their bombshells all over Sin City.

An ambitious intern. A perfectionist executive. And a whole lot of name calling. Whip-smart, hardworking, and on her way to an MBA, Chloe Mills has only one problem: her boss, Bennett Ryan. He's exacting, blunt, inconsiderate—and completely irresistible. A Beautiful Bastard. Bennett has returned to Chicago from France to take a vital role in his family's massive media business. He never expected that the assistant who'd been helping him from abroad was the gorgeous, innocently provocative—completely infuriating—creature he now has to see every day. Despite the rumors, he's never been one for a workplace hookup. But Chloe's so tempting he's willing to bend the rules—or outright smash them—if it means he can have her. All over the office As their appetites for one another increase to a breaking point, Bennett and Chloe must decide exactly what they're willing to lose in order to win each other. Originally only available online as The Office by tby789—and garnering over 2 million reads on fanfiction sites—Beautiful Bastard has been extensively updated for re-release.

The all-new scorching sequel to Beautiful Bastard! A charming British playboy. A girl determined to finally live. And a secret liaison revealed in all too vivid color. Escaping a cheating ex, finance whiz Sara Dillon's moved to New York City and is looking for excitement and passion without a lot of strings attached. So meeting the irresistible, sexy Brit at a dance club should have meant nothing more than a night's fun. But the manner—and speed—with which he melts her inhibitions turns him from a one-time hookup and into her Beautiful Stranger. The whole city knows that Max Stella loves women, not that he's ever found one he particularly wants to keep around. Despite pulling in plenty with his Wall Street bad boy charm, it's not until Sara—and the wild photos she lets him take of her—that he starts wondering if there's someone for him outside of the bedroom. Hooking up in places where anybody could catch them, the only thing scarier for Sara than getting caught in public is having Max get too close in private.

Featuring the entire BEAUTIFUL series cast for one final hurrah! A FREE-SPIRITED GIRL IN NEED OF A BREAK. A MAN WEIGHED DOWN BY RESPONSIBILITY. A ROAD TRIP VACATION WHERE ALL BETS ARE OFF. OH, AND A LOT OF WINE. After walking in on her boyfriend shagging another girl in their place, Pippa Bay Cox ditches London for the States to go on a drunken road trip with Ruby Miller and some of her Beautiful friends. Scaling the career ladder is the default way to deal with heartbreak—and to just deal—for Jensen Bergstrom. Absolutely buried by his drive and workload, he rarely takes time for himself. But when his sister Hanna convinces him to join the gang on a two-week wine tour, he has a rare moment of cutting loose. Of course, it's only once he's committed that he realizes the strange girl he met briefly on the plane is coming along, too. She might be too much for him...or he might realize his life has become too small and needs her to make it bigger, crazier. With this circle of friends there's always something going on: from Chloe and Sara's unexpected personality swaps to Will's new domestic side to Bennett's text message barrage and George's own happily-ever-after. In short, their adventures in love, friendship, and hilarity are nothing short of Beautiful.

Millions of readers worldwide have fallen for the sexy, hilarious love stories of Christina Lauren's New York Times and #1 international best selling Beautiful series. Discover the first three novels—Beautiful Bastard, Beautiful Stranger, and

Beautiful Player—from the author duo Kirkus Reviews calls “the It Girls of Romance.” Beautiful Bastard: Whip-smart, ambitious intern Chloe Mills is so tempting that her completely infuriating and utterly irresistible boss Bennett Ryan is willing to bend the office rules—or outright smash them—if it means he can have her—all over the office. Beautiful Stranger: All of New York City knows Max Stella loves women. Despite pulling in plenty of lovers with his Wall Street bad boy charm, it’s not until finance whiz Sara Dillon—and the wild photos she lets him take of her—that the ex-pat Brit really thought of keeping someone around. Hooking up in places where anybody could catch them, the only thing scarier for Sara than getting caught in public is having Max get too close in private. Beautiful Player: Lectured by her brother for neglecting her social life in favor of grad school, bookish Hanna Bergstrom challenges her brother’s best friend, unapologetic playboy Will Sumner, to turn her into a sultry siren. It’s not long before the innocently seductive pupil is teaching the venture capitalist a thing or two he can’t forget. But now that Sara’s discovered the power of her own sex appeal, it’s up to Will to prove he’s the only man she’ll ever need.

AN UPTIGHT BRITISH EXECUTIVE. AN ADVENTUROUS AMERICAN NEWBIE. A SEXY INTERNATIONAL SCANDAL IN THE MAKING. New York Times and #1 internationally bestselling author Christina Lauren’s Beautiful and Wild Seasons series hook up in Beautiful Secret for an erotic intercontinental romp that celebrates the best of both worlds! When Ruby Miller’s boss announces he’s sending her on an extended business trip to New York City, she’s shocked. As one of the best and brightest young engineers in London, she knows she’s professionally up to the task. The part that’s throwing her is where she’ll be spending a month up close and personal working alongside—and staying in a hotel with—Niall Stella, her firm’s top urban planning executive and The Hottest Man Alive. Despite her ongoing crush, Ruby is certain Niall barely knows she’s alive...until their flirty overnight flight makes him sit up and take notice. Not one for letting loose and breaking rules, recently divorced Niall would describe himself as hopeless when it comes to women. But even he knows outgoing California-girl Ruby is a breath of fresh air. Once she makes it her mission to help the sexy Brit loosen his tie, there’s no turning back. Thousands of miles from London, it’s easy for the lovers to play pretend. But when the trip is over, will the relationship they’ve built up fall down?

Picking up where Beautiful Bastard left off, Chloe Mills and Bennett Ryan continue their steamy, combative relationship in this new novella. Just when Chloe’s career starts to take off, Bennett wishes it would all slow down long enough to spend a wild night alone with his girlfriend. But after he refuses to take no for an answer, Chloe and Bennett find themselves with two plane tickets, one French Villa, and a surprising conversation that, predictably, leaves them wrestling under the covers.

The ninth work in the New York Times and #1 internationally bestselling series that started with Beautiful Bastard. In this e-novella, Will Sumner and Hanna Bergstrom (from Beautiful Player) find that a wedding and everlasting love were just the beginning. One Player tamed. One nerd girl satisfied. And one more major life decision to make. When Will fell for Hanna, her quirky sense of humor and fierce dedication to her career were part of the attraction. (Not to mention her coy newbie attitude toward sex and her willingness to let him teach her everything.) But when the job offers start rolling in for her—and oh, they do—Hanna has trouble

deciding what she wants, where they should live, and how much she should burden Will with the decision. Magic between the sheets is only one part of a relationship...getting on the same page is quite another altogether.

The Beautiful Bastard series continues in this new novella—back when not being able to stand each other also meant not being able to keep their hands off each other, neither Bennett nor Chloe could have seen this day coming. One beautiful bastard of a groom. The most beautiful bitch of a bride. A panty-ripping office hook-up turned true love everlasting. Wedding bells can't chime soon enough for Chloe Mills and Bennett Ryan. Chloe, exasperated and stressed by all the last-minute to-dos, is on the verge of saying "I do" to eloping. For his part, Bennett's so worried about being distracted by Chloe's body that he makes a no-sex-until-the-wedding-night rule that only seems to be making things worse by continually backfiring on him. As their crazy families descend for the big day- only a few of them actually trying to be helpful- the fiery lovers are about to test whether the couple that argues together can keep it together long enough to exchange rings, and not just heated words.
