To get out of it, she's forced to launch Operation Skinny Celeste?because, after all, a thin girl can't be a fat model! What Celeste never imagined was that losing weight would help her gain a backbone . . . or that all she needed to shine was a spotlight. A hilarious debut featuring friendship, family, mean girls and even celebrity crushes, Celeste's story is a delicious treat that doesn't add a pound.

It is about travelling in style for everyone who is looking for something different and special - no matter if men or women, travelling solo or as a couple. Mr Hudson Explores shows that every part of a trip is an incredible experience. The core content of the book will consist of 20 cities in the Northern Hemisphere and showcases the very best the destination has to offer. Each guide will give a general introduction to the city and, if applicable, its relevance for the gay community. It showcases various locations on culture and art, the most inspiring museum to visit, traditional and upcoming food places, best shopping experiences, music and nightlife: Where to go out, which bars do have the best drinks, and clubs you can have the most fun at the city's best parties and concerts. Depending on the location, day trips and activities can be included. Luxury accommodations and places to stay complete the range. The book will not just give descriptions of the places but also background information, telling the story of the owner, history or anecdotes.

Sawyer Sterling learned too young that depending on anyone else will get her nothing but heartache in the end. Never shying away from outwardly showing her love, she struggles accepting it herself. Stubbornly, she vows never to risk her heart. Dealing with revelations she never saw coming, her impulse is to distance herself from emotional entanglements. When her past collides with her present, can Jared Keller help prove to her just how wrong her assumptions are? He is the exception to her argument that everyone leaves. Will she ever see him as something she deserves? **Due to mature content and language this ebook is intended for readers 18+**

Coaching was never this difficult...until the rookie came along.I had no idea Amber Lakes would become a constant light in my miserable life.Her smile isn't supposed to warm my heart, and the sight of her tears isn't supposed to make want to protect her.We're not supposed to touch, let alone kiss. We definitely aren't supposed to exchange hidden stares while we're around each other. Why? Because I stand to lose everything if we're caught.But I've fallen too hard, and despite how big the risks are, I can't seem to pull away from her.None of this is supposed to happen because she's my track student...and I'm her coach.
