Competency-based approach, which means that you will acquire new knowledge, skills, attitudes and values; you will recover others that you have previously learned so you can transform them into the ability to function effectively and efficiently in different areas of your personal, professional and occupational life. To make your study easier it's really important that you understand what the competency based approach learning means, how we recommend you to work when you are in a non-school education system and how to use this book.

Students write every day and everywhere — for school, for work, and for fun. And nobody

to writing on a Facebook wall.

How to Use 'A' and 'The' is a reference and practice book for students of English who want to understand more about 'a/an', 'the' and 'no article'. It provides a comprehensive collection of usage guidelines as well as clear and detailed explanations of a large number of exceptions and difficult cases. It is aimed at the upper-intermediate to advanced student, but will also benefit intermediate students, and is ideal for both self-study and classroom use. Nine units of explanations, including sections about the basic principles behind article use, generalising, proper
