making beer at home. The book starts out detailing the most important thing for aspiring brewers, it answers the question about what to take in order to make a basic beer and the steps to succeed at it.

~~How to Brew: Everything You Need to Know to Brew Beer ...~~

Add the malt extract and bring everything to a boil. The hops are usually added at various intervals to add flavor, bitterness, or aroma and the times will be spelled out for you in the kit's instructions for your style of beer. In general, hops added early in the boil will contribute more bitterness, but at the expense of flavor and aroma.
