Why I choose this book. I think this is one of the best trumpet
method books for beginners and one reason for that is because it
starts with the student playing his very first notes in the middle
register instead of the low register. I wish more teachers were aware
of how important this is....

The Rubank Elementary Method for Cornet or Trumpet is one of the best trumpet method books for beginners because it starts with teaching how to play the very first notes in the middle register instead of the low register. One of the important concepts taught at the beginning of the book is “brain-lip” connection.
